CCCA Christmas Play

The Christmas play is called "A King is Coming to Town." It will have a bunch of kings and a bunch of new songs too. We all hope you have a great time. And there will also be some villagers too. Surprisingly some business people like Barbra Booster are included too. There are some rock n' roll people, Egyptian people, and Jungle people. But everyone thinks the king that is coming is ether the Jungle King, the Egyptian King or also maybe the Rock n' Roll King. I don't want to give too much away though. There will be also some new dances too. I hope you all enjoy it because we have been practicing very hard. It will start at 4:00pm and be at Westerville North High School. It will also be on December 11, which is a Saturday. **By Peyton Marquez**

Join Us December 11th, at Westerville North High School for our Christmas Play. Play Starts at 4:00pm

Book Review – Sea of Monsters

Review by Collin Gibson

Rick Riordan's bestselling book, The Lightning Thief has become a big success. It was even made into a movie. So why not read the second book. It is a good book and is funny in parts. Percy, Anabeth and Tyson are trying to find the Golden Fleece to save the camp, because Percy's enemy, Luke has poisoned the tree that Zeus turned his daughter into to save her from a monster. So they travel to the Sea of Monsters.

Do they Fail or succeed? The only way to find out is to read it! Also, for more read The Titan's Curse, the Battle of the Labyrinth and The last Olympian.

It Feels Good to Tell the Truth

By: Laney Fasanelli

Be HONEST
Even if others are not
Even if others will not
Even if others cannot
 "He who walks honestly walks securely"
Proverbs 10:9

Zechariah 8:16

"These are the things you are to do: Speak the truth to each other and render the true and sound judgment in your courts.."

One day my friend wore a horrible outfit. I tried to tell her the truth, but I did not want to hurt her feelings. Then again I didn't want to lie either. It was hard to figure out what to do. Finally I decided to tell her the truth about how I really felt. She

was glad I told her the truth and I didn't tell her a lie. I felt much better about myself and I know God felt proud too. Afterwards we became better friends. We also trusted each other more than we did before. I never lie to her anymore and she never lies to

me either. So don't be afraid to be honest even if you think it might hurt their feelings. They will know you are just trying to be helpful and being honest will make you better friends. So remember: When in doubt always tell the truth!

How God Answered My Prayers

By Bella Genovesi

It was a couple years ago and me and my family were going to Texas for the summer. It was my first time on a plane and I was really scared. We finally got on the

plane and about a half an hour later the plane took off. I was freaking out. My ears started popping and I was afraid the plane was going to crash. The first time you fly can be really scary!

I told my dad and he said I should pray, and I did. I started feeling better right away. I could tell he was there with me and then about an hour or two later we landed safely in Texas.

BIBLE VERSE OF THE MONTH

Isaiah 9:6-7

⁶ For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. ⁷ Of the greatness of his government and peace there will be no end. He will reign on David's throne and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the LORD Almighty will accomplish this.

MUSIC

YouTube Music Video of the Month –

Just the Way You Are - Bruno Mars

By Justin King

In "Just the Way You Are", Bruno Mars is expressing his love to his girlfriend. I like this song because of the graphics. Bruno does all these cool things with a cassette tapes film. Example He made the song name and his name with the film. Another popular song is Billionaire, but Bruno Mars is just featured in that song. This song is fit for all ages (it was approved by Mr. Caborn).

Here is the link if you are interested

iPod Touch

By: Bella Genovesi

I got the iPod Touch 4G and it is the best thing in the world. You can make folders, playgames and so much more! My favorite thing to do though, is called Face Time. It's kinda like Skype except you can only do it if you have the iPod 4g. I love it and I talk to my cousin with it all the time. It's really cool that we can see each other while we talk. I love listening to my music too. You can also make videos and take pictures. It's sooo Much Fun!

Music Review – The Boys of Fall by Kenny Chesney

The Boys Of Fall is a song by Kenny Chesney it and is a good song to listen to. It is a country song on the radio and the radio station for the country songs is 107.1. It is not on all the time, but it is on sometimes and it is a really good song. It comes on a lot on the radio and I hope you get a chance to listen to it.

Mackenzie Says:

I like how he sings with his voice and all the music and what kind of instruments he uses like the guitars and the other ones. I like it a lot.

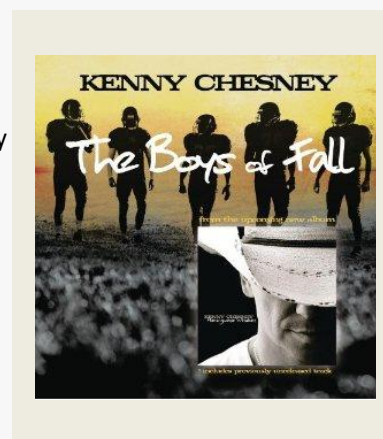

I give it 4 ½ Stars

Abigail Says:

I like it because of the rhythm and I like his voice. If you don't ever listen to the country station in the car then you can find the song on youtube.

I give it 4 ½ Stars too

Legally Blondes – Movie Review

The movie Legally Blondes is based off of the movie Legally Blonde with Reese Witherspoon. In both movies there are girls who are determined to show there is more to them than just fashion. They also both try to solve a case. By the end people look at them differently than they did before. The movies are both awesome.

LOCAL

Red Robin

By Peyton Marquez

Me and my family like to go to Red Robin, especially for birthdays. It is the perfect place if you have a little brother or sister because they probably like being loud. My favorite meal is grilled cheese with steak fries. They always have the TV on, but it is always on football. But if you have a big sister like mine they always have drama. Especially like mine. There is also TVs on the floor. When you first walk in it smells so good with the grilling and the steam and the cooking and just everything. You should go there sometime. Their food is amazing! I go to one that is in Gahanna. It is by a Target and another restaurant and you take a right, then you can take the twisty door or the boring door to get inside. Trust me and take the twisty door. Leave the boring one for your parents.

Kings Island

By Mackenzie Williams

Kings Island is a fun place for the whole family. You can ride rides and also go in the water park there are some really fun rides and in the rides section like the beast and the like screaming sky it makes you go up side down and all around. There are really fun rides there are scary rides and fast rides and also slow rides is so awesome and cool. There is food like hot dogs and pizza and funnel cakes. All the things taste great. There are drinks that are fizzy and they have sprite, coke and more. The water rides are cool and there is some were there is a bridge and the people on the ride come down and it splashes you if you are on the bridge. There is haunted houses in October and there are scary ones and some are not scary but they are cool so like I said be for I hope you go there with your family or friends or both and have fun.

Ohio State Michigan – The Rivalry

The history behind Ohio State and Michigan football: Ohio state and Michigan have been alternating their wins. Their first meeting was in 1897. Ohio State got beaten 36-0. We actually started off 0-15 against them. The rivalry got really heated when Woody Hayes was our coach. He beat them 11 times. They beat us 8 times during Woody's coaching career.

Michigan's coach at that time was Bo Schembechler, who used to be one of Woody's assistants. Woody thought he was a traitor and wanted to beat Michigan worse than anything.

Since Jim Tressel came along we have been beating them. (That was in 2001) Before then, when John Cooper was Coach we won 3 of the 14 games against Michigan. Jim Tressel's record against Michigan is 9-1

What some people considered, "The game of the Century", was the Ohio State - Michigan game in 2006. We were ranked #1 in the nation and they were #2. We won 42-39.

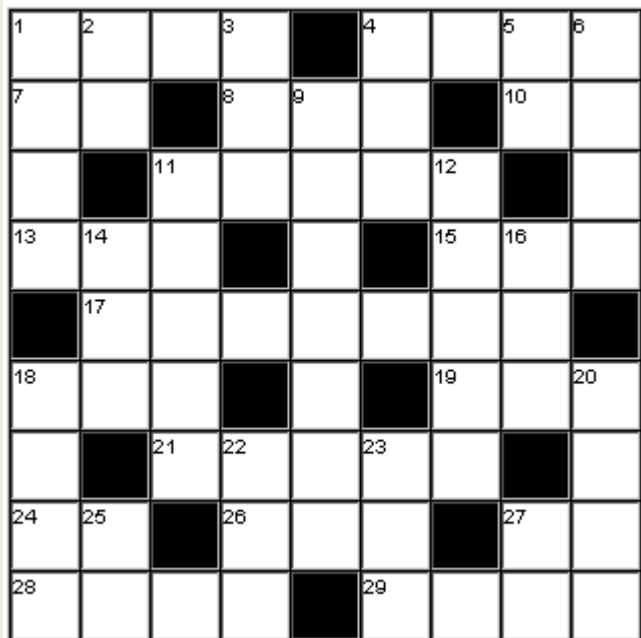

The overall record between us is 57-44-6. Michigan is winning. Ohio State and Michigan have been rivals from the first game. Will Ohio State end up losing against Michigan again? I doubt it. Michigan hasn't been very good since Rich Rodriguez has been their coach. (I really do not like him at all!!!!!!)

by Bella Genovesi

A really good site is www.yola.com. It's a website where you can make your own website for free! It's fun and easy. You just sign up and they walk you through the rest of the steps.

I actually made a website in 4th grade using Yola with my friend Mackenzie K., its called www.fizz101.yolasite.com it wasn't hard to make and it was fun, I bet you'll have fun making one too!

Panfu.com

by Abigail Walker

Panfu is a fun website. It is fun because your house is a tree house. You can shop and add friends to your friends list. If you are a gold panda you can ride a horse and buy stuff. Things like clothes, pet's and furniture and you get a gold hat to prove that you are a gold panda.

It is kind of like Club Penguin, so if you like Club Penguin you should check out Panfu!

Game of the Month- Amuse Park

By: Matthew Longfellow

I chose Amuse Park for the online game of the month because it is a blast to play. You build and run your own amusement park. The goal of the game is to get enough happy people in your amusement park to complete all 8 levels. You can build all of the following to make the ultimate amusement park: carousel, castle, Ferris wheel, haunted house, go carts, Oblivion roller coaster, roller coaster, bench, bathroom, clean up robot, food stand, and first aid building. I hope you like the game. Go to www.someschoolgames.com and it will be one of the first games you see. Happy gaming!

StoryLineOnline.net

By Grace McNeil

StoryLineOnline.net is an awesome website where you can go to have famous people read you famous children's books. They have people like Sean Astin reading books like A Bad Case of the Stripes (right). If you don't know who he is he is from movies like The Goonies, Rudy, and Lord of the Rings. I haven't seen these movies, but Mr. Caborn says they are good and Sean does a good job reading the story. There are a bunch of other actors and actresses who read books too. Some of my other favorite stories on this website are Harry the Dog and Brave Irene. If you get a chance this is one website definitely worth checking out!

We Wish You a Merry Christmas- Wii

By Matthew Longfellow

This is a fun holiday family game that I got a few weeks ago. The main menu looks like a Christmas decorated living room. There are five main areas: shelf, hearth, tree, carpet, advent calendar and radio. At the shelf you can play one of 6 fun holiday games. Then at the hearth you can add more logs, roast marshmallows, and add colored powder to the fire. You can decorate the tree with garlands, toppers, lights, and ornaments. On the carpet you can write a letter to Santa, put stickers in a sticker book, or go on an elf hunt. The advent calendar unlocks a new ornament, song for the radio, light, or sticker each of the first 25 days of December. All of the items magically get packed away on January 2nd. Last, but not least the radio. You can listen to any unlocked Christmas song. I think this is a great game to play with family and friends around the holidays and other times of year. Merry Christmas!

Duct Tape

By Sydnee Edwards

I know duct tape is a weird topic, but you can see why I chose it in a minute. I chose duct tape because duct tape is pretty cheap and there are a lot of things you can make out of duct tape. You can make bracelets, purses, wallets, belts, and book covers. You can learn how to make that stuff by going to YouTube and typing in how to make duct tape and then whatever you want to make. They also have a whole website dedicated to the uses of duct tape called ducttapeguys.com.
