

# Be a Preschool Partner

The mission of **Central College Preschool Partners** is to provide a quality Pre-Kindergarten experience to the children in need living in our community.

- + The Preschool believes that God is calling us to this ministry to continue what He began with Central College Preschool 44 years ago.
- + Within 3 miles of our Church there are 3 Westerville Schools that have over 60% of their enrollment living in poverty.
- + According to research, the strongest evidence suggests that economically disadvantaged children reap long-term benefits from preschool. However, children from all other socioeconomic backgrounds have been found to benefit as well.
- + We know that these early experiences are the first steps to school success and future success in life.
- + The Preschool is partnering with WARM to identify the children and families that would benefit.
- + Full tuition for a 3 day program costs \$195 per month or \$1755 per year. Families in need would not be able to afford the full cost.

*And Jesus said, "Let the children come to me and do not hinder them, for the kingdom of heaven belongs to such as these." —Matthew 19:13*
